Thanks! I've taken a look and do not much new here—it looks like the early (circa 2014) framing of what became the rationale to disapproval in Maine. The detailed chart that OGC prepared on Maine during the reconsideration process walks through these steps in more detail—let me know if you haven't seen this.

Anna,

We do not have a written draft of the "Tribal Treaty Framework" per se. What we have is briefing document (*CWA Treaty Rights Decision Framework*) that OST (with OGC input) used to brief Administrator Gina McCarthy. You will notice that WA and ME are featured in the briefing document. Additionally, I have attached the one relevant slide (*Tribal Treaty Decision Framework Slide*) that walks through the "Tribal Framework" for Idaho from a briefing that OST gave to OW senior leadership this past August. Of course the other place you find the "Tribal Treaty Framework" articulated is in the preamble to the WA and the ME Federal WQS rules for human health criteria.

Please let me know if you need anything else on this.

Deborah
